Testimonials

Such an amazing experience & service. The quality & selection was great, while keeping a fair price. It was a huge success for our school & the daily deliveries made record sales. Great communication with the FUN Services team members & would 100% use and recommended again in the future.

Our kids holiday boutique with Fun Services was a great success! Kristie at Fun Services has been an absolute angel! I highly recommend we stay with Fun Services for next year's kids holiday boutique. Especially with all the rebates Laurel Hall school will be receiving. That, and the great products they sent us. Another thing I noticed this year was a lot of students came back a second and even a third time to shop during lunch and recess to buy more items. So, the new products Fun Services sent us was a huge hit!
