YOU CHOOSE...

- 1 Your Name, Santa's Secret Shop or Holiday Gift Shop**
Both offer the same great service and gift line. One just has a more generic name for those schools that prefer one.
- 2 Your Selling Week**
You can choose the 1st, 2nd, or 3rd week in December. If these dates don't work for you, just let us know and we can work with you to find dates that do work.
- 3 English or Bilingual Parent Letters**
You get to choose if your parent letters come in all English or Bilingual.
- 4 A Traditional Inventory or No-Count Inventory Program**
With the traditional inventory, you will need to count in and count out your inventory. With this option, you can mix and match your mark-up. If you would like an easier program, go with the no-count inventory program and choose one straight mark-up.
- 5 0%, 5%, 10% or 20% Mark-up**
These are our most common mark-ups. If you are running a gift shop as a service to your students, you may prefer a 5% mark-up. If you would like to earn more money for your school, go with the 20% mark-up.
- 6 The use of a Cash Register or our New Tablet Register!**
This year we are rolling out our new tablet registers to help you check out your shoppers on the go! Sign up today and reserve your tablet register while supplies last.
- 7 Optional Use of Our Inflatable Sir Fun Bear and Outdoor Vinyl Banners**
Want to make your gift shop stand out? Be sure to ask for our outdoor vinyl banner to hang up near your drop-off/pick-up line and set our inflatable Sir Fun Bear nearby. They're sure to get some attention.
