My Mama Told Me: You Better Shop Around!

When you're making a major purchase for yourself, don't you usually "shop around" to be sure you're getting the Best Deal... Customer Service, Quality, Value and Price?

In your shopping process, don't you find that there is always a difference?

Fun Services would like to think of our **Santa's Secret Shop®** / **Holiday Gift Shop®** program as a "major purchase" for you and your school children. Please do not commit to one program without "shopping around" to see what we offer. We think you'll be surprised at what a difference there really is...

So ask yourself: "Am I truly satisfied with my current holiday gift shop program, or do I need to 'shop around?'" Reservations are now being taken for the **Santa's Secret Shop®** / **Holiday Gift Shop®** program. Date availability is limited and we offer an Early Bird Sign-Up Incentive that will expire. Find out why the majority of schools that did our program last year have already reserved their dates for this year. Fun Services has been exclusively providing the original **Santa's Secret Shop** for the last 50 years and is #1 in Customer Service and Satisfaction- Just ask our customers!

Call our Fun Services **Santa's Secret Shop®** / **Holiday Gift Shop®** Coordinators today for more information on how to attend one of our Open House Luncheons throughout the Southern California area to preview our current gift line. If there's not an Open House or Travelling Showcase in your area, we're more than happy to give a personal presentation at your school, your very own 15 Minutes of Fun, and/or ship a sample box to your school at our expense. Whether your school works with a different company or sells homemade crafts- be sure your school is getting the best of what is available when it comes to this "major purchase."
