

A Virtual Holiday Gift Shop is Coming to our School Soon!

Dear Parents,

We are inviting you and your child to participate in the upcoming VIRTUAL Holiday Gift Shop program at our school. This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends from the comfort of their home!

We believe this program will create wonderful memories for the children while teaching them to budget their money and make their own decisions. There will be a large variety of gifts in different price ranges to choose from. With your help, your child can log on to our school specific website where they are able to view and purchase a variety of gifts in different price ranges. The children will be able to view different items to purchase online and add to the cart before checking out. All items will be hidden so you will not know what has been purchased for you or family members. But the parents can always UNHIDE to see what their child has purchased by hitting the BACK ARROW. You will have the opportunity to review the total amount spent before checking out.

Orders will be distributed at your school or delivered Straight to your door depending on hand off Option determined by your PTA/PTO.
