# News!

FUN Services has launched a **Virtual Holiday Shopping Experience!** Our Virtual Shop will make the kids feel like they are IN-School Shopping. This is not like any other online shopping. The kids will be able to shop from the comfort of their own home where they can choose the gifts they want to purchase as well as pay for the gifts right on the virtual site. This eliminates the crowded holiday room or media center you customarily have used and requires Little or NO volunteers!

## **\*We are offering 3 options\* (your choice)**

- 1** Shop from our Virtual Gift Shop, place order & each gift will come with a personalized gift bag. Each order will get delivered directly to the your home address. Volunteers must **ADVERTISE & SPREAD THE WORD!** **SHARE** the **LINK** Daily via Mass Emails and All-Call Systems to inform parents. Fun Services will provide Parent letters for the kids to take home as well as our E-Parent letter to email. We will also provide a variety of graphics and videos to help promote your gift shop via Social Media and other platforms. This option provides **10% profit** for the sale.
- 2** We pack the orders for your school by student's class and provide printed orders per student for sorting/distribution. Each gift will come with a personalized gift bag and we will provide carry home Tote Bags. **15% profit**
- 3** We pack one bulk order for your school and provide printed orders per student for sorting/distribution. **20% profit** Each gift will come with a personalized gift bag and we will provide carry home Tote Bags.

This program is best used in conjunction with our Traditional IN-School shopping program but if kids are out sick or parents want to preview what their child purchases or want to shop themselves they have that option.

**OPTION 1** also allows you to expand your audience and share your link with other family and friends out of the area.

IF your school does not have the room or volunteers to run our Traditional IN-School Holiday Gift Shop program our VIRTUAL Holiday Gift Shop will be an alternative available to your school so your kids can continue to participate in a program they have come to love and will still allow them to experience the **Gift of Giving!**

*“Remember we are a corporate sponsor of Toys for Tots and all of our Gift Shop programs will have gifts “Tagged” as a Toys for Tots item and Fun Services will match dollar for dollar.*

*In the Past 3 years we have donated Over \$500,000 in gifts to kids in need with your help.*

**KIDS HELPING KIDS...WHAT IS BETTER THEN THAT!**

**\*For schools running ONLY the Virtual Gift Shop\***

**For every \$1500 in purchases, excluding tax and shipping if applicable, you choose 1 Sign Up Bonus**
