

# How to use the Fun Register 2.0 App!

**1** Enter Cash Code

**2** total

**3** check out

The image shows three sequential screenshots of the app interface. Step 1 shows a hand holding a smartphone with the 'Enter Item Number' screen. Step 2 shows a hand holding a smartphone displaying a list of items and their prices, with a 'total' label below. Step 3 shows a hand holding a smartphone with a payment screen, with a 'check out' label below.

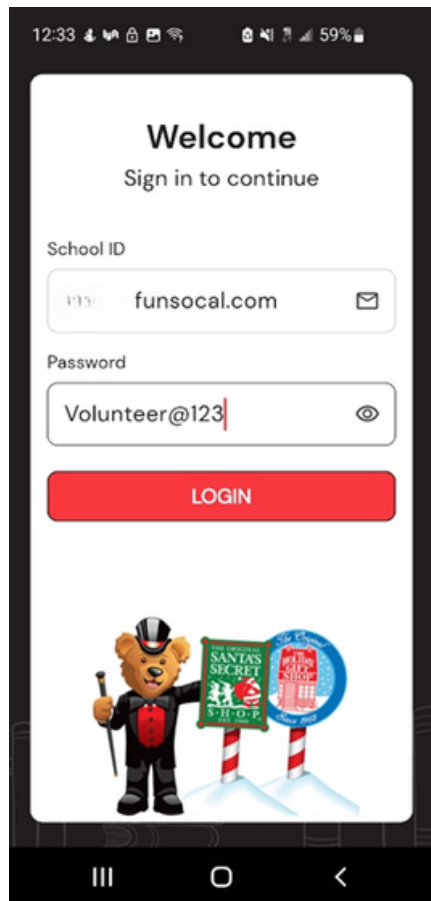

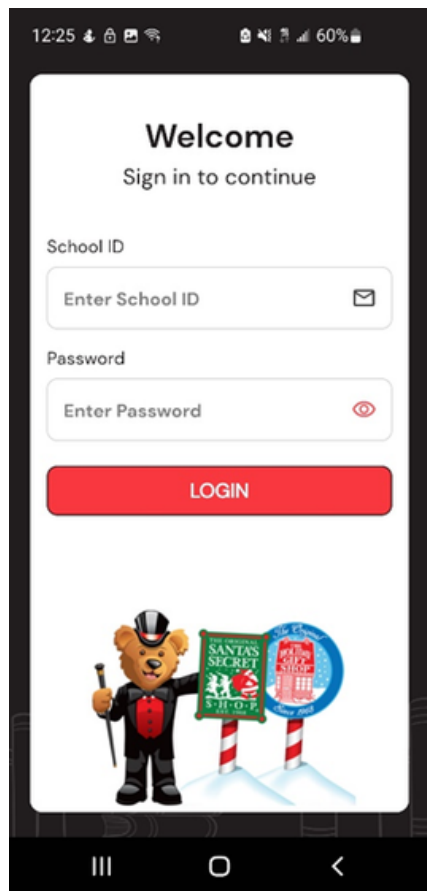

Download the App: FunRegister 2.0

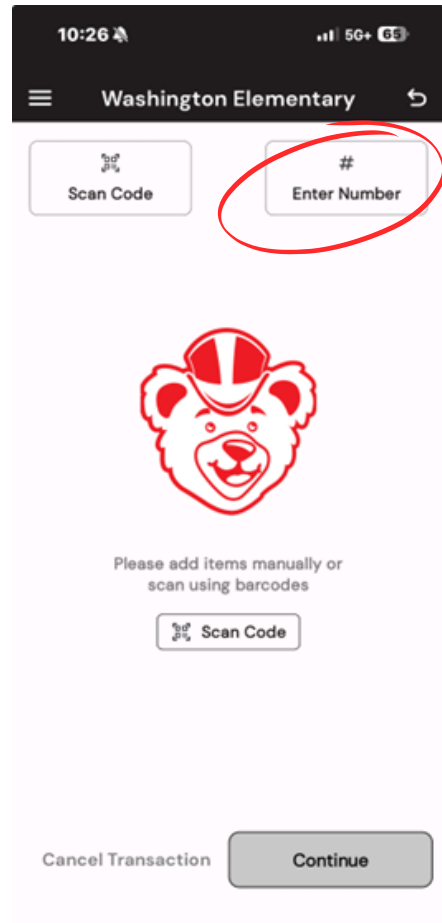

Enter the Schools unique School ID
