Testimonials

Such an amazing experience & service. The quality & selection was great, while keeping a fair price. It was a huge success for our school & the daily deliveries made record sales. Great communication with the FUN Services team members & would 100% use and recommend again in the future.

What a great idea for our PTO. One reason we were able to increase our sale over \$4,000!

**Sir Fun Bear's
HOLIDAY GIFT SHOP**
is coming to our school!

Oh what FUN SERVICES it is to give!

Dear Parents,
We are inviting you and your child to participate in the upcoming "Holiday Gift Shop" program at our school. This program makes it possible for children to experience the joy of choosing their own special holiday gifts for family and friends. The "Holiday Gift Shop" program will be set up at the school and supervised by our parent volunteers. They will help the children pick their perfect gift for the ones they want... in a fun, festive, comfortable atmosphere. We believe this program will create wonderful memories for the children while teaching them to budget their money and make their own decisions. There will be a large variety of gifts in different price ranges to choose from. Imagine how fun they will have surprising a loved one with a "special" gift this year!... all for the smallest price!

We guarantee you'll be part of this great experience. A money order envelope is provided for you. It helps the people who they would buy gifts for and have them they would spend the cash even easier since they can't see their own shopping money.

Entérate los padres,
En el mes de la Navidad queremos invitarlos a participar en nuestro próximo evento "Holiday Gift Shop" junto a sus hijos, e así se les crea un colorido momento. El propósito del evento es proporcionarles a los hijos la experiencia de escoger sus propios regalos, no solo para sus familiares o amistades, cuando ellos están llenos de días festivos. El "Holiday Gift Shop" estará ubicado en la escuela y supervisado por los padres que quieren prestar servicios voluntarios. Les invitamos a estar ahí para ayudar a los niños a escoger el regalo perfecto, dependiendo del presupuesto del niño, en un ambiente festivo y cómodo. A través de este programa, enseñamos que los hijos se pueden crear sus propias decisiones y a ser responsables a los otros del dinero, como manejarlo con el dinero y tener las mejores opciones a la hora de hacer sus compras. Imaginemos una gran variedad de productos con precios diferentes, para que los niños tengan un momento sorprendente al ser capaces de elegir sus regalos que sorprenderán a los otros.

Queremos que todos los niños disfruten de este gran momento, por lo tanto les vamos a proporcionar un sobre para que envíen el pago. Esto les ayuda a comprar sus regalos y tener un momento feliz en la escuela. El sobre para el pago lo vamos a proporcionar para que los niños puedan comprar sus regalos sin tener que ver su propio dinero.
